Ay 2023-24

WELCOME TO OUR SCHOOL

Pamir Private School is dedicated to providing an excellent, 21st-century education deeply rooted in the UAE's vision of a tolerant, happy and cohesive society. We focus on first-class, international learning opportunities for all students to meet international standards whilst being cognizant of The UAE's history, culture, values, and traditions. We fully embrace a happy and positive lifestyle by spreading positive messages internally and externally to ensure the well-being of all Pamir community.

Vision

To enlighten our students through quality and creativity in education for their global competence and productivity for society.
